The World Bank Group.....

AFRICA GENDER INNOVATION LAB' AND WOMEN, BUSINESS AND THE LAW Research Analyst Staff (Economist)	June 2023 – <i>Washington, USA</i>
---	---------------------------------------

Program Lead - The Africa Gender Innovation Lab and Women, Business and the Law joint program

- Leading the joint program between the Africa Gender Innovation Lab and Women, Business and the Law, integrating legal diagnostics and impact evaluation evidence to inform gender-responsive policy dialogue and lending operations in Africa.
- Building a micro-macro analytical platform linking firm- and household-level evidence to regulatory and policy reforms, supporting the translation of causal findings into economy-wide implications for women's employment, productivity, and economic inclusion.
- Coordinating cross-unit analytical work, drafted concept notes and briefs for senior management, and translated findings into operationally relevant insights for country teams.

Co-Task Team Leader - Global Project on AI-power digital tools for mental health (with Q-T. Do and L. Dinarte).

- Leading a five-country intervention and research study to assess the performance and impact of a AI-power technology on access to mental health screening and treatment for forced displaced population.
- Countries: Colombia, Democratic Republic of Congo, Jordan, Poland and Uganda.
- Coordinating a 25-expert team to develop the technology, test and, validate the AI-technology.
- Designing research questions, intervention implementation,
- Securing World Bank and external stakeholders endorsement for the set up of the study.

Co-author and dissemination lead of the flagship regional report "Pathways to prosperity for adolescent girls in Africa" (AGIL/Office of Africa's Chief Economist).

- Led the systematic evidence review and designed the evidence-based matrices and graphs.

- Presented results to policy makers during the [Africa LEADS workshop](#) in Cape Town (South Africa, May 2024).
- Led national-level presentation and country briefs production for the report dissemination in 11 countries including three high-level events and 8 technical workshops (Angola, Burundi, Cameroon, Chad, Côte d'Ivoire, DRC, Ethiopia, Kenya, Madagascar, Mozambique, Senegal).

Co-Principal Investigator of an impact evaluation of a social safety net project preventing intimate-partner-based violence in Cameroon.

- Led endline data collection, data analysis, and paper drafting of impact evaluation assessing the impact of cash transfers and gender-based violence prevention on intimate-partner-based violence and social norms (sample of 8,000 people). Designing innovative questionnaires, conducting literature review, computing statistical analysis, and coordinating research and operational teams.
- Led grant application submission and secured \$150,000 from UFGE trust fund (May 2024).
- Managing four short-term consultants.
- Led consultants recruitment and survey firm procurement processes.
- Organized two technical missions in Yaoundé (Cameroon).

Previous projects.....

Impact evaluation coordinator of a productive inclusion project in Benin.

- Designed and implemented an impact evaluation to assess the impact of mobile money intervention on women's economic empowerment and social norms.
- Wrote the concept note and successfully presented the impact evaluation project to the steering committee.
- Supporting the project TTL in the project implementation targeting 150,000 ultra-poor households.
- Organized three technical and supervision missions in Cotonou (Benin).

Coordinating the impact evaluation for a school-related gender-based violence prevention intervention in the Democratic Republic of Congo.

- Designing the impact evaluation. Coordinating the multi-unit research team and operational teams, computing statistical analysis, conducting a literature review, writing concept notes, presented the project to the steering committee.
- Budgeting. Led discussions and secured financial engagement.
- Organized one technical mission in Kinshasa (the DRC).

Coordinated a seminar "It's About Time: Addressing Women's Unpaid Carework" (AGIL/Office of Africa's Chief Economist).

- Organized a high-level hybrid seminar with DSOs for AFE and AFW, the Invest in Childcare team, and the Early Learning Partnership.
